

THE GOVERNING BOARD OF THE A.M.I.

Offering its respect, sympathy and love to Mrs. Ada Montessori and to all the family on the great loss of Mr. Montessori, the Governing Board of the A.M.I. assumes its function with deep regret.

In 1975 the Executive Committee proposed the formation of a Governing Board to take over the function of Dr. Mario Montessori when that should become necessary. The Board would consist of two members of the Executive Committee, two members of the International Pedagogical Committee and Mrs. Ada Montessori. This A.M.I. Governing Board would be assisted by a group of advisors on pedagogical matters, the International Pedagogical Committee and by Dr. Mario Montessori Jr. At the Council Meeting held in Amsterdam on September 6th 1975 this proposal was put to the vote and accepted. In „Communications“ 1977 No. 1 the appointment of this Governing Board was published. No appointments were made to fill the places of Prof. Lauwerijs and Mr. Joosten.

The remaining members of the Board will carry on until the new Articles of Association come into force.
