

INTRODUCING MR. STEVE HUFFMAN - AMI'S NEW BOARD MEMBER

We are pleased to introduce to you our new Board member, Steve Huffman. As you will see in the report of the Annual General Meeting, held in April, Steve was elected to the AMI Board to fill the vacancy caused by the retirement of Mrs. Beppa Parsons.

Steve Huffman holds a B.A. in History from De Pauw University, Greencastle, Indiana and an M.S. in Education Curriculum and Instruction from the University of Wisconsin, Milwaukee. He has many years experience as a teacher, assistant principal and principal in elementary schools in the Milwaukee area. Since 1992, he holds the position of Leadership Specialist with the Milwaukee Public Schools.

From being a 'Montessori parent', Steve went on to serve the Montessori community as a member of the board and treasurer of the Montessori Institute of Milwaukee. He is no stranger to the AMI membership in the United States where he was a member of the board of directors of AMI's branch office, AMI/USA, since 1990 until July this year. He served first as treasurer and, from 1992 onwards, as board chairman. He is a well-known and respected speaker, especially on topics related to Montessori and the Public Schools. At the AMI International Study Conference in Washington, D.C. in July, 1994 Steve delivered a lecture on the topic "Public School Montessori".

We are pleased to have somebody of such calibre as Steve Huffman on our Board and we welcome him to our midst. We shall look forward to working with him.
