

To quote Maria Montessori once more:

... everything man creates, even when called progressive, leads to nothing without love. But this love, which is the gift of every tiny child who is brought into our midst - if this were realised in its potentialities, our achievements, already so vast, would become immeasurable. Grown-ups and children must join their forces. In order to become great, the grown-up must become humble and learn from the child.

*Renilde Montessori
September 1997*

VENUE OF THE AGM

The Annual General Meeting, scheduled for Saturday April 18, 1998, will commence at the traditional time of 14.00 hrs. and will be held at:

**'t Nieuwe Kafé, Nieuwe Kerk
Dam Square
Amsterdam**

If you are planning on attending the Annual General Meeting may we advise you to make your hotel reservation in good time, i.e. by mid-January at the latest!

The Easter holiday period is always an extremely busy time in Amsterdam and all accommodation is fully booked well in advance.
